Year-end Report (7/1/01-12/31/01)

Dear Ms. Pittman:

We have for acknowledgment the Commission's letter dated March 26, 2002 (received here several days later) regarding the Commission's preliminary review of Graves for Congress' Year End Report covering the period from July 1, 2001 through December 31, 2001 and also confirm our telephone conversation of this date.

Pursuant to your instructions, we have examined the Committee's report and the contributions in question. The following numbered paragraphs correspond to the table attached to your March 26, 2002 letter and reflect the actions taken by the Committee or otherwise provides additional explanation for the contributor. The contributor allocated \$1,000 to the 2002 primary election and \$1,000 to the 2002 general election. A copy of the contributor's check containing instructions, together with the response card, is attached.

|--------------------------------|--|
| 14. <u>Sharpe, Charles N.</u> | Refund made by check number 1201 dated April 6, 2002 in the amount of \$1,000. |
| 15. <u>Sosland, Morton I.</u> | Refund made by check number 1202 dated April 6, 2002 in the amount of \$1,000. |
| 16. <u>Stanton, Dan</u> | Refund made by check number 1203 dated April 6, 2002 in the amount of \$500. |
| 17. <u>Sunderland, J.P.</u> | Refund made by check number 1204 dated April 6, 2002 in the amount of \$1,000. |
| 18. <u>Theclinger, Marllys</u> | Refund made by check number 1206 dated April 6, 2002 in the amount of \$1,000. |

We have made a further review of the year end report for the period ending December 31, 2001 and have not identified other contributions in question. Prior to receipt of the March 26, 2002 letter from the Commission, we had identified the contributions outlined in the table and had been in the process of requesting redesignation and reallocations where appropriate. As the year end report reflects in Table B, 20a, we had already identified a number of such contributions and made appropriate refunds prior to the filing of the report.

We also note the question raised with respect to description of disbursements. We are uncertain as to precisely which disbursements reference is being made. However, we have examined all disbursements and made revisions to Bristol Meyers PAC, Chanuns Catering, Clay County, Missouri Parks and Recreation Department, Kansas City Club, Keelen Communications, Tortilla Coast, and Michael Anthony's Catering, which was incorrectly referred to as Michael Anthony's "Cate," (a problem caused by the software program not allowing enough room for the full name description). In addition, we have revised disbursements discussed with you by telephone including NRCC, Jeff Roe, J.D. Hayworth, Bristol Meyers and Missouri Division of Employment Security (unemployment).

April 9, 2002

Page 4

It should be noted that all refunds made and described in this correspondence will not appear on the amended year end report for the period ending December 31, 2001. The reason is that all refund checks are dated April 6, 2002 and as such refunds will be reflected in our July 15, 2002 report. Refunds will not change the year end cash on hand inasmuch as the refund checks were not issued until April 6, 2002. In addition, changes made as a result of written instructions for redesignation or reallocation were not made in most instances until 2002. Such changes will occur in the first quarter 2002 report.

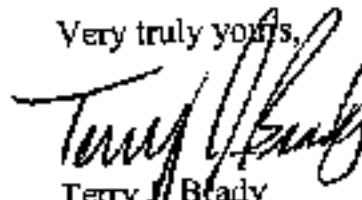

Therefore, please consider this letter as an attachment to our amended year end report because it reflects in detail and otherwise provides written documentation for any refunds, reallocations and redesignations. As indicated, we are forwarding you a copy of all checks, together with all letters of transmittal. In other instances, we have forwarded copies of the contributor's written instructions but not necessarily all correspondence because of the amount of paper.

We are in the process of revising our collection, solicitation, deposit and data entry procedures to better identify the occasional excess contribution in advance of deposit and acceptance.

We are hopeful that this correspondence and the Amended Report filed electronically provide a complete response to the questions raised. We stand ready to be of whatever additional assistance and provide whatever additional information and documentation might be required to satisfy the Commission and the regulations.

If we can furnish additional information or be of additional assistance, please do not hesitate to advise.

Very truly yours,

Terry J. Brady
Treasurer

Re: Refund of Contribution

Dear Mr. Condron:

Thank you for your recent contribution to the Graves for Congress Committee. Your support is greatly appreciated.

We apologize for this inconvenience, but the amount you contributed, although legal, put you over the \$1,000 limit allowed for the primary election. We are required by federal law to refund the excess amount to you because more than sixty (60) days have elapsed since the contribution or we did not otherwise receive your instructions to redesignate the amount over the primary limit to our general election account or to reallocate the excess amount to your spouse.

Please find enclosed herewith Graves for Congress check number 1193, in the amount of \$1,000.00, payable to you.

Again, we are very sorry to inconvenience you. If you have any questions about this correspondence, please do not hesitate to contact me at the telephone number reflected above.

Re: Your check number 8759
Amount: \$2,000.00

Dear Mr. Gage:

On behalf of Sam Graves, our sincere thanks for your generous contribution. The commitment you have made will have a direct bearing on the success of our campaign.

The strict regulations of the Federal Election Campaign Act limit individual contributions to \$1,000 per person per election. Husbands and wives have separate contribution limits and may each individually give. While your contribution of \$2,000.00 exceeds the amount allowed from any one individual, the excess amount would be proper if it came from your spouse.

We would be grateful if both you and your spouse would please sign the attached letter and return it to us in the enclosed, postage-paid envelope as soon as possible. If your spouse does not wish to contribute, we will refund the excess amount of your contribution to you.

Thank you again for your generous support for Sam Graves.

Sincerely,

Terry I. Brady

Re: Refund of Contribution

Dear Mr. Sharp:

Thank you for your recent contribution to the Graves for Congress Committee. Your support is greatly appreciated.

We apologize for this inconvenience, but the amount you contributed, although legal, put you over the \$1,000 limit allowed for the primary election. We are required by federal law to refund the excess amount to you because more than sixty (60) days have elapsed since the contribution or we did not otherwise receive your instructions to redesignate the amount over the primary limit to our general election account or to reallocate the excess amount to your spouse.

Please find enclosed herewith Graves for Congress check number 1201, in the amount of \$1,000.00, payable to you.

Again, we are very sorry to inconvenience you. If you have any questions about this correspondence, please do not hesitate to contact me at the telephone number reflected above.

Very truly yours,
